Issue 14– June 2010

Sanctuary Cove 2010

Another wet Friday with variable conditions over the weekend kept crowd numbers down to around 39,000, which was 3,000 more than the 3 day show in 2009 but down around 10,000 compared to 2008. Despite this the crew on board the Eagle 53 were optimistic showing the boat to a good stream of enthusiastic potential E53 owners. Mary and Hur Hur from Transpacific Marine (the builder) and the usual team from Eagle Cruisers Australia were also pleased with the positive comments from those viewing the vessel. A lot of second time visitors from Sydney and Sanctuary Cove Boat Shows last year commented that the Eagle was still the best value and finished boat at the show. Michael, Therese, Robert, Dale, Mary & Hur Hur would like to thank everybody who visited us and for your great comments.

Eagle Cruisers Australia Brokerage

A number of customers are waiting for their current boat to sell before making an investment in an Eagle, we are pleased to offer free Boat Point listings on our brokerage page, and are also looking at creating a brokerage section on our website to create the exposure that may make the difference in selling your vessel. Please email if you are interested in listing with us.

Most Asked Questions

Laundry

Yes, we have a number of laundry options.

Tender

Yes, 5308 (demo boat) is prewired for a tender davit if a larger tender is required.

Yes, we have plans for a tender on the saloon roof.

Displacement

The Eagle has a semi-displacement hull. Please see this [Fleming article](#) that compares semi-displacement (eg Eagle/Fleming) to a displacement hull (eg Nordhavn) (links to an external site, Eagle Cruisers are not related to the Fleming brand in any way).

Eagle 40

Yes, we also build an [Eagle 40](#) which is a very popular and refined boat, mostly shipped to the United States.

Certification

Yes, the Eagle 53 is built to CE Certification.

Designs

Yes, we have a number of new layouts and external treatments, however we are a custom builder and will build to your requirements.

1. Deb and Pat's Eagle 53 'Soulmates' cruised through Abacos, Eleuthera, the Exumas, Nassau in New Providence, the Berries and Bimini ([click here for presentation](#)).
2. Therese shops for some furniture and homewares in Ningbo, China for Eagle 5308.
3. Some Transpacific History: The Hawkins family aboard their TP49 'Vagabond Heart' during a recent circumnavigation ([click here for presentation](#)).
4. Eagle 40 'NW Passage' in Puget Sound ([click here for presentation](#)).

Factory Visits

Factory visits are welcome and encouraged; Hong Kong, Ningbo and Shanghai are all great places to visit during your build. Michael and Therese have visited these areas many times and will make any trip a great experience. Eagle Cruisers Australia is a division of Nitro Marine who have been operating on the Gold Coast for the past 25 years. Nitro Marine has won various awards over the years but more recently has been awarded Mercury Marine Dealer of the Year for Australia, New Zealand and the South Pacific in 2008 and 2009 as well as Stacer dealer of the year in 2009. Nitro Marine prides itself on our relationship with our customers and look forward to offering the same service to our Eagle Customers.
