Issue 9 - June 2009

Sanctuary Cove 2009

Thank you to all who attended the Sanctuary Cove International Boat Show and visited us on the Eagle 53 Pilothouse Cruiser. Despite the bad weather over 90 groups inspected the Eagle 53, all with great comments and one common goal to do some coastal cruising around Australia, PNG and the Pacific.

The Eagle 53 at Sanctuary Cove whilst a yacht attempts to leave the Seaway in rough conditions. The forecast was seas at 9 to 10 metres with a storm warning. Winds that had at times been recorded at 61 knots at the Seaway entrance. The yacht attempted to venture out the Seaway at around 3pm but soon returned to the Broadwater after encountering rough conditions.

Production Dates

With a swag of good enquiries at this year's show and a strengthening Australian dollar, we have negotiated with the factory to hold the following production dates for the 2009 year. Those wishing to custom build may need to consider extra time to finalise drawings and specifications.

Hull	Start Date	Finish Date	Hand Over
5310	Mar-09	Oct-09	Dec-09
5311-AUSTRALIA	Jul-09	Feb-10	Apr-10
5312-AUSTRALIA	Sep-09	Apr-10	Jun-10
5313	Oct-09	May-10	Jul-10
5314-AUSTRALIA	Nov-09	Jun-10	Aug-10
5315-AUSTRALIA	Dec-09	Jul-10	Sep-10

Visit The Shipyard During Your Build

Lying south of the Hangzhou Bay and facing the East China Sea, Ningbo is one of China's oldest cities - rich in culture and heritage. The port of Ningbo is one of the world's busiest with a population of over 5.5 million, Ningbo has luxurious, modern hotels and incredible shopping opportunities. The City of Ningbo is now linked to Shanghai by the world's largest ocean crossing bridge (2.5 hours by car or bus). Another must see city 1.5 hours to the north is Hangzhou which is well known for its beautiful natural scenery such as the West Lake and world famous silk and Longjing tea.

Demo Boat For Sale

Hull 5308, delivered April 2008, is now available for sale, she is fitted with twin Cummins QSB 5.9L 355HP with Digital Throttle and Shift, 2.25 inch Aquatech shafts, and TwinDisc gear boxes which resulted in a very comfortable and efficient return cruise to the Whitsundays with an average of 26LPH for the trip. She is a 3 cabin layout with BBQ, bimini, reverse cycle air-conditioning, and all the electronics for coastal cruising. At \$1,079,000 and only 280 hours on the clock she represents great value with a saving of around \$200,000 on a new build at the current exchange rate.

Sydney Boat Show

Eagle Cruisers Australia are finalising plans to attend this year's Sydney Boat Show.
